 - 6:50pm (12,14)
 - 7:20pm (14,16)
 - 7:30pm (14,16)
 - 8:00pm (14,16)
- This is a case by case scenario with how many teams join the competition per term.
 - If cases of 7 or 6 timeslots, the competition manager can set rotational timeslots for U12 to U16 if the draw format suits.
 - We aim to have all Under 8's in the first 2 timeslots and Under 10's in the first 3 timeslots depending on referee availability.

Minimum Age

- **Juniors** - At request of the Competition Coordinator or Board, parents must be able to provide birth certificate if needed
- **Juniors** - All players must not be over the age of the division nominated as of 31st December. E.g. If you are born in 2011 in the year 2024 you are turning 13, you must play U14 not U12.

Division

- Players can apply to switch teams if approved by competition manager and for a reasonable request. Players will still need to play a minimum number of games to qualify for finals in the new team.
- Players can only play in 1 colour division per age group for the season, However, Players can play 2 different age divisions
- **Example:**
 - **Allowed:** U12 Boys Blue and U14 Boys Silver
 - **Not Allowed:** U12 Boys Blue and U12 Boys Silver

Byes & Finals

- **Byes** - At all costs our club will try to avoid byes in the short school term competitions.
- **Finals** - In the event of a competition with a bye in it. At the end of the season if there are more than 8 teams in a pool then the lowest ranked team that has not had a bye will receive the bye for the last round.

Competition Point

Win = 3 - Loss = 1 - Draw = 2 - Bye = 3
Forfeit Loss = 0 - Forfeit Win = 3

Grading

- Divisions can be separated by Blue, Silver, White with top 2 playing in a Grand Final, or
- Blue, Silver, White can be split into even Pools with only top teams playing in a Grand Final at the end of season.
- The most important thing to remember is this is a **grass roots** competition for kids to play with their friends and have fun.

Grading Concept

- Palm Beach Junior Touch uses the promotion and relegation system as a guide for Term touch when assessing divisions.
- Teams are transferred between divisions based on their performance for their last completed season.
- In a system of promotion and relegation, the highest-ranked team(s) in the lower division are promoted to the higher division for the next season, and the lowest-ranked team(s) in the higher division are relegated to the lower division for the next season.
- Team delegates can request at any stage to be in the higher division. This process can continue through several levels of divisions, with teams being exchanged between adjacent divisions.
- Teams also can be 'reassessed' in the first 1-3 rounds of the Term if the competition sees they may be in the incorrect divisions

We encourage all teams to order their uniforms from our official apparel partner Struddys!

Struddys are a local company and offer a great service to our sport and community
